SCRIP ORDERS - The September deadline for ordering Scrip is **TODAY**. Orders will be ready for pick up next Sunday. To place an order, complete an order form (available in the narthex) and place it in an envelope along with your **cash or check or credit card slip** in the Scrip Box or one of the drop boxes. If you have any questions regarding the Scrip program, please contact Sharon Hauschild 715-307-2531. Thank you!

SUNDAY SCHOOL UPDATE - The Board of Education and Director of Sunday School reviewed the results from the Sunday School Re-Opening Survey and found that an overwhelming number of families want their children to return to Sunday School. The survey also showed that October 11th is the preferred start date. **Registration for Sunday School will start September 13th. Registering your kids ahead of time will greatly help us know how best to plan for enough space and teachers.** Precautions include but are not limited to, sanitizing classrooms and common areas, having children use hand sanitizer often, washing hands often, using classrooms to fit class sizes to socially distance as much as possible, reducing contact surfaces as appropriate, leaving classroom doors open for additional air circulation, and not participating in music or signing. Due to the mandate that is currently in place through September, it is also required that everyone wear masks while indoors. We understand that this mandate could change at any time and/or maybe extended. Thank you to all the families that participated in the survey, as these results were very helpful in planning a safe and welcoming Sunday School year. We will continue to plan for Sunday School opening and will be sharing more details as they become available. (8/30)

LET IT SHINE SHOWCASE PARTICIPANTS NEEDED – Sam Niebeling will be doing the video for the showcase on **September 13 at noon**. All people involved in a committee or group for the church can participate to get their messages out. We will meet in the sanctuary.

LOGOS 2020-2021 - The LOGOS Ministry believes that a relationship with Jesus Christ is the most important thing in life. We believe that nurturing people, especially youth and children, into right relationships of faith with God through Jesus Christ is the most important thing the church ever does. We believe that a LOGOS weekly gathering creates a regular, intergenerational experience for children and/or youth as an intentional arena where all ages together can learn about, experience, and practice the art of Christian relationships. LOGOS also believes that **parents and families** have the greatest influence on the faith development of their children. **Intergenerational experiences** within the faith community are excellent ways to nurture faith development in all ages and in passing on the faith to multiple generations. If you have a child in 1st – 7th grade, mark your calendars to attend the **LOGOS parent meeting on September 30th at 7:00 p.m.** Your attendance is required for you to enroll your children. We have a lot of new information to go over this year because of the pandemic. If it is absolutely not possible for you to attend, and you want your children to be a part of LOGOS, please contact Julie Hanson at 714-220-5149. Bring a lawn chair if it is a nice evening and we will meet outside. Bring a facemask if the weather does not cooperate and we will social distance in the fellowship hall.
